

***Body Control and Softening Clinic***  
**Billy Yoder Horsemanship**  
**Oct 12 & 13, 2019**

Improve your communication with your partner. Located next to the beautiful Governor Knowles State Forest join us to tap into Billy Yoder's 10 years of experience training and showing horses in Ranch Riding, Ranch Pleasure, Ranch Reining, Trail, Cutting, and Working Cowhorse.

This Clinic is designed to help the rider with horsemanship skills and to have better communication with the horse. We can achieve this by understanding how to use our hands, legs and feet to get softness from the horse's head, neck, shoulders, rib cage, and hindquarters.

Exercises will include:

- ~ Yielding the hindquarters
- ~ Bending and yielding
- ~ Walk, Trot, Canter
- ~ Diagonals
- ~ Clover leaf exercise
- ~ Shoulder Control
- ~ Draw to a stop from the trot and canter
- ~ Vertical Softness at the walk, trot, and canter
- ~ Counter bending
- ~ Sidepass
- ~ Stop on whoa
- ~ Rollbacks
